

**Public Works
Storm Water Utility**

- (1) Program Title:** **Regional Storm Water Management Plan Implementation**
- (2) Division/Section:** **Storm Water Engineering**
- (3) Program Element:**
 - (a) Flood Insurance Program**
 - (c) TPDES**
 1. Flood Control Projects
- (4) Statement of Purpose:**

Administer and implement the Regional Storm Water Management Program (RSWMP) as described in the UDC. Participate in the development and implementation of the Regional Flood Control, Drainage and Storm Water Management Program in partnership with the County, SARA suburban cities, and federal installations.
- (5) Description of Actions (Statement of Services):**

Review requests for participation in the RSWMP by reviewing and evaluating storm water management plans submitted by private developers. Provide storm water review of Prop 3 acquisitions. Participate in the selection of consultants to prepare regional hydraulic/hydrologic and water quality models for the Regional Management Program. Coordinate with other agencies as required.
